Just a couple of things **NOT** to do at the car show while your judging classes.

1. Don't prejudge the cars before looking at them all.
  2. Don't talk to the owners of the cars while your judging.
  3. Don't ever lean on someone's car while getting up from looking under the car.
  4. Don't open the doors without the owner's permission.
  5. Don't discuss the judging points with the owner.
- 

Some things to do at the car show.

1. Have fun but be ready to work all day. Please get there at 7:00 AM or as soon as you can.
2. Bring something to drink to stay hydrated.
3. Bring a calculator, so you can add up your judging sheets. Please add them up someplace alone in the field, in case of a tie you can look the cars over again to break the tie.
